251 - 25

New Zealand Journal of Botany

A quarterly journal

Volume 21 1983

Department of Scientific and Industrial Research, Wellington

Editor: Christine V. E. McDonald

Editorial Board

Dr P. J. Brook (*Chairman*) — Plant Diseases Division, DSIR
Dr P. J. Brownsey — National Museum of New Zealand
Professor R. G. Thomas — Department of Botany, Massey University
Professor A. P. Wylie — Department of Botany, University of Otago

New Zealand Journal of Botany
Volume 21, Number 1 published 4 May 1983
Volume 21, Number 2 published 30 June 1983
Volume 21, Number 3 published 13 September 1983

CONTENTS

Volume 21 1983
Number 1

Checklist

Checklist of marine algae possibly naturalised in New Zealand — **N. M. Adams** — 1

Cytology

Contributions to a chromosome atlas of the New Zealand flora 23
Ranunculus (Ranunculaceae) — **J. B. Hair** — 3

Contributions to a chromosome atlas of the New Zealand flora 24
Coprosma (Rubiaceae) — **E. J. Beuzenberg** — 9

Contributions to a chromosome atlas of the New Zealand flora 25
Miscellaneous species — **E. J. Beuzenberg and J. B. Hair** — 13

Ecology

Episodic forest mortality in the Kaimai Ranges, North Island, New Zealand — **G. T. Jane and T. G. A. Green** — 21

Aquatic macrophytes of Lake Rotopounamu, a montane, volcanic lake in New Zealand — **Frances B. Michaelis** — 33

Mycology

Lophodermium agathides and *Meloderma richeae* two members of the Rhytismataceae from Australasia — **D. W. Minter and Gloria Hettige** — 39

Fungi Eucalyptorum Novazelandiae: *Septoria pulcherrima* sp. nov. and *Trimmatostroma bifarium* sp. nov. — **P. D. Gadgil and Margaret Dick** — 49

Palynology

Late Quaternary vegetation, Tongariro region, central North Island, New Zealand — **M. S. McGlone and W. W. Topping** — 53

Phycology

A taxonomic revision of the families Chordariaceae and Chordariopsidaceae (Phaeophyta) in New Zealand — **W. A. Nelson and N. M. Adams** — 77

Reproductive biology

Self-incompatibility in *Cordyline pumilio* (Agavaceae) — **R. E. Beever** — 93

Taxonomy

Pterostylis cardiostigma — a new species of Orchidaceae from Wellington, New Zealand — **D. A. Cooper** — **97**

Short communication

Pannaria crenulata, a new lichen from New Zealand — **D. J. Galloway, P. W. James, and P. M. Jørgensen** — **101**

Book reviews

The changing climate: responses of the natural flora and fauna. By Michael J. Ford — **C. J. Burrows** — **105**

Manual of vegetation management on New Zealand archaeological sites. By G. Hamel and K. Jones — **C. C. Ogle** — **106**

Letter to the Editor

Tissue culture of *Solanum laciniatum* — **A. D. Thomson** — **109**

Reply — **A. J. Conner** — **109**

DSIR Botanical Publications — **111**

Number 2

Chemotaxonomy

Phytochemical reappraisal of taxonomic subdivisions of *Lycopodium* (Pteridophyta — Lycopodiaceae) based on flavonoid glycoside distribution — **Ken R. Markham, Noreen A. Moore, and David R. Given** — **113**

Dendrochronology

A dendrometer band study of the seasonal pattern of radial increment in kauri (*Agathis australis*) — **J. Palmer and J. Ogden** — **121**

Ecology

Population dynamics of subalpine *Libocedrus bidwillii* forest in the Cropp River Valley, Westland, New Zealand — **D. A. Norton** — **127**

The vegetation of Wharekakahu, an offshore stack of the Otago coast — **T. R. Partridge** — **135**

Ecotypic differentiation in the ultramafic flora of the South Island, New Zealand — **William G. Lee, A. F. Mark, and J. B. Wilson** — **141**

Mycology

Ascomycetes of New Zealand 4. *Valetoniella crucipila* Höhnel and *Trichosphaerella tuberculata* sp. nov., two members of the Trichosphaeriaceae with pseudoamyloid ascospores — **Gary J. Samuels** — **157**

Ascomycetes of New Zealand 5. *Mycocalicium schefflerae* sp. nov. its ascal ultrastructure and *Phialophora* anamorph — **Gary J. Samuels and Dianne E. Buchanan** — **163**

Ascomycetes of New Zealand 6. *Atricordyceps harposporifera* gen. et sp. nov. and its *Harposporium* anamorph — **Gary J. Samuels** — **171**

New Zealand Fungi 32. *Janetia capnophila* sp. nov. and some allies — **S. J. Hughes** — **177**

Hypogeous fungi associated with some forest trees in New Zealand — **Myra Chu-Chou and Lynette J. Grace** — **183**

Taxonomy

New taxa in the New Zealand lichen flora — **D. J. Galloway** — **191**

Short communications

Is the achene a reduced follicle? — **J. P. Skipworth** — **201**

A new fern record from The Snares, southern New Zealand — **D. S. Horning Jr** — **205**

The genus *Pedobesia* (Chlorophyta, Derbesiales) with observations on the distribution and habitat of *P. clavaeformis* in New Zealand — **Michael W. Hawkes** — **209**

The identity of *Cordyline forsteri* (Agavaceae) — **D. A. Cooke** — **211**

Book reviews

The Monocotyledons: a comparative study. By Rolf M. T. Dahlgren and H. Trevor Clifford — **Elizabeth Edgar** — **213**

Thonner's analytical key to the families of flowering plants. Translated and revised by R. Geesink, A. J. M. Leeuwenberg, C. E. Ridsdale, and J. F. Veldkamp — **Elizabeth Edgar** — **214**

DSIR Botanical Publications — **217**

Corrigendum — **219**

Number 3

Anatomy

Anatomy of root wood in Araucariaceae and some Podocarpaceae indigenous to New Zealand — **L. A. Donaldson** — **221**

Cytology

Contributions to a chromosome atlas of the New Zealand flora 26
Gentiana (Gentianaceae) — **Douglas M. Post** — **229**

Ecology

Rates of spread of *Spartina anglica* and sediment accretion in the New River Estuary, Invercargill, New Zealand — **William G. Lee and Trevor R. Partridge** — **231**

Secondary vegetation succession on the Port Hills, Banks Peninsula, Canterbury, New Zealand — **P. A. Williams** — **237**

Mycology

Stictis and its anamorphs in New Zealand — **P. R. Johnston** — **249**

A new species of *Vibrissea* from North Island, New Zealand — **G. Beaton and Gretna Weste** — **281**

Palynology

Long-distance pollen transport over the southern Tasman sea: evidence from Macquarie Island — **M. R. Salas** — **285**

Vegetation and climate history of the Longwood Range, South Island, New Zealand, 12 000 B.P. to the present — **M. S. McGlone and J. L. Bathgate** — **293**

Reproductive biology

Insect pollination in the New Zealand mountain flora — **R. B. Primack** — **317**

Taxonomy

Bryoria (lichenised Ascomycotina) in New Zealand — **P. M. Jørgensen and D. J. Galloway** — **335**

Taxonomic notes on Stewart Island *Ranunculus* including two new species — **H. D. Wilson and P. J. Garnock-Jones** — **341**

Acaena profundeincisa (Bitter) B. H. Macmillan comb. nov. (Rosaceae) of New Zealand — **B. H. Macmillan** — **347**

Short communication

Chromosome numbers in two varieties of *Actinidia chinensis* Planch. — **Zhang Jie and E. J. Beuzenberg** — **353**

DSIR Botanical Publications — **357**

Number 4

Anatomy

Occurrence of warts in the vessel elements and fibres of New Zealand woods — **J. Ohtani, B. A. Meylan, and B. G. Butterfield** — **359**

Chemotaxonomy

Turpentine composition of the pines of Guadalupe and Cedros islands, Baja California — **M. H. Bannister and I. R. C. McDonald** — **373**

Physiology

Diurnal patterns of water potential in the evergreen cloud forests of the Kaimai Ranges, North Island, New Zealand — **T. G. A. Green and G. T. Jane** — **379**

Changes in osmotic potential during bud break and leaf development of *Nothofagus menziesii, Weinmannia racemosa, Quintinia acutifolia,* and *Ixerba brexioides* — **T. G. A. Green and G. T. Jane** — **391**

Taxonomy

The lichen genera *Parmelia* Ach. and *Punctelia* Krog in Australasia — **D. J. Galloway and J. A. Elix** — **397**

Nomina Nova III, 1977–1982 — **E. Edgar and H. E. Connor** — **421**

Vegetation history

Radiocarbon dates from Late Quaternary deposits in the Cass District, Canterbury, New Zealand — **C. J. Burrows** — **443**

Short communications

The fruit of *Ackama, Caldcluvia,* and *Weinmannia* (Cunoniaceae) — **E. J. Godley** — **455**

Chromosome numbers in three South American species of *Gunnera* (Gunneraceae) — **M. I. Dawson** — **457**

Book reviews

Mosses of South Australia. By D. G. Catchside — **Allan J. Fife** — **461**

Eagle's trees and shrubs of New Zealand. Second series. By Audrey Eagle — **E. J. Godley** — **463**

DSIR Botanical Publications — **465**

Author index — **467**

Subject index — **469**

Species index — **475**
